Sep 22, 2018 New maps is nice, and dunno what the new dating is - dating was just some generic text depending on the girl personality and maybe some question / choice so more stuff can be fun; sadly Illusion's (and many other circle) habit of giving the info with text in image format make it near impossible to translate.. 7 1You can help development of HF Spot and several of the integrated plugins through my Patreon web page: https://www.. HF Spot does not include the full game, paid expansions or any other pirated articles.. Koikatu Darkness DLC is definitely backed since HF Plot edition v2 6Koikatsu Celebration (Steam discharge) is backed since HF Plot edition v2.. It will allow you to weight all personality credit cards and scenes and give you numerous gameplay improvements while nevertheless maintaining the unique, uncluttered and clear feel of the video game.
